NATIONAL LEVEL TECHNICAL SYMPOSIUM: Paper Presentation

PAPER PRESENTATION: Innovate • Research • Present

"Where Ideas Speak Louder Than Words"

Organized by: Department of Electrical and Electronics Engineering

Venue:KRS-Seminar hall

1. Event Overview:

Paper Presentation is a technical event that provides a platform for students to present their innovative ideas, research findings, and technical knowledge in front of a panel of judges and audience. This event encourages participants to explore emerging technologies, enhance analytical thinking, and develop presentation skills. It is not just about presenting a paper, but about confidently communicating ideas with clarity and impact.

2. Event Nature:

- **Type:** Technical Event
- **Category:** Research & Innovation
- **Format:** Single Round (Presentation + Q&A)

3. Event Objectives:

- To provide a platform for students to showcase research and innovative ideas.
- To promote analytical thinking and problem-solving skills.
- To enhance technical presentation and communication skills.
- To encourage students to explore emerging technologies and real-world applications.
- To build confidence in defending ideas during Q&A sessions.

4. Team Composition:

- Each team can have a maximum of 3 members.
- Individual participation is also allowed.
- Team members cannot be changed after registration.

5. Registration Details:

- Registration will be accepted on a first come, first serve basis.
- A total of 20 teams will be allowed to participate.
- Teams must register online before the specified deadline.
- Abstract submission is mandatory during registration.

6. Event Rules & Guidelines:

- Each team will get 10-12 minutes for presentation and 5 minutes for Q&A.
- Presentation must be prepared using PowerPoint (PPT).
- Maximum 12 slides are allowed (excluding title and thank you slide).
- Topics Allowed: Open Domain (Technical & Innovative Topics).
- The presentation must be original work of the participants.
- Plagiarism will lead to immediate disqualification.
- Participants must report 30 minutes before the event starts.
- Judges' decision will be final and binding.
- Participants must maintain formal dress code and discipline

7. Judging Criteria (Total: 100 Marks):

Criteria	Description	Marks
Technical Content	Depth of knowledge, accuracy, research quality	25
Innovation & Originality	Creativity and uniqueness of idea	20
Presentation Skills	Clarity, confidence, communication	20
PPT Design	Slide quality, visual clarity, organization	15
Q&A Performance	Ability to answer questions confidently	15
Time Management	Adherence to time limit	05
	TOTAL	**100**

8. **Event Timings:** 10.00am to 1:00 pm

9. **Safety & Compliance:**

- Participants must follow college rules and regulations.
- Use of offensive or inappropriate content is strictly prohibited.
- Participants must bring their presentation in pen drive and email backup.
- Any misconduct will result in disqualification.

10. **Expected Outcomes:**

- Enhances research and analytical skills.
- Improves public speaking and communication abilities.
- Encourages innovation and technical exploration.
- Builds confidence and professional presentation skills.
- Promotes inter-college technical collaboration.

11. **Event Coordinators:**

- Srikanth N
- Swetha S
